

Needs Assessment/Local Application Timeline

November 14th, 2019

Review/update of the EFE assigned CTE Programs (CIPs) for each high school (those approved for funding)

December 18th, 2019

Deadline to complete current CTE Programs review, including EFE corrections/updates into the Illinois State Course System

January 9th, 2020 and January 17th, 2020

Release date for Program Data Review (PDR) - 1/9/2020 within IWAS

Release date for Local Needs Assessment (LNA)/Comprehensive Local Needs Assessment (CLNA) - 1/17/2020 within IWAS

Local entities complete the PDR prior to the start of the LNA

Once complete, the PDR data points are automatically prepopulated into the LNA

The PDR and LNA require stakeholder involvement and are completed/submitted by high schools/area career centers

February 15th, 2020

Deadline for completion of LNA through IWAS Local CTE dashboard

The CLNA will not have accurate data until all LNA's within your EFE region are complete

The CLNA requires stakeholder involvement and is completed/submitted by the EFE System Director

July 1st, 2020

Release date for CTE Program Approval within IWAS Local CTE dashboard (Two-year window for completion; guidance forthcoming)

Mid-April 2020

Deadline for completion of CLNA through IWAS Local CTE dashboard

May 1st, 2020

Tentative release date for Local Application within IWAS eGMS, informed by CLNA data
